In the latest of Abertillery Wheelers weekly 10 miles time trials, held on the circuit course between Pontypool and Hafodyrynys, the rain literally bucketed down, but with the wind in the right direction for the course, times for a depleted field were still fairly good. Tony Hudson added to his impressive total of club event wins by clocking 24m.06s, 2nd Clinton Evans 24-23, 3rd Ian Davies 24-32,. The winner of the previous event, Martin Latewood, was over three quarters of a minute slower this week, clocking 24-42.
